

*Outback Steakhouse serves the freshest food possible, using only the highest quality ingredients; from our fresh imported Parmesan cheese, grated fresh daily, to our imported virgin olive oil. Our fresh grain fed beef is the highest quality USDA Choice beef available and we serve only fresh chicken and fish. Almost everything is made fresh daily “in house” including our salad dressings, our delicious chocolate sauce, our croutons, and our creamy onion soup. We like to describe our menu as “full flavored” and are proud of the fact that Outback really defines the word **QUALITY** with our food.*
